St. Louis' Largest
Clothing Store

Washington Avenue the Future Retail Center

In the constellation of solid and substantial American cities St. Louis deserves a conspicuous setting. Four months have elapsed since the closing of the great Louisiana Purchase Exposition, and still St. Louis refuses to collapse, as was freely predicted. On the contrary, she is going forward at a lively rate, a building movement unparalleled in the history of this city is on, the tone of the real estate market is active and strong and the general outlook seems bright and full of promise. St. Louis is all right.

And The Model, St. Louis' largest clothing store. A word about ourselves. When we settled upon Seventh and Washington Avenue as a suitable site for a modern, up-to-date apparel shop, the "wise ones" got busy. So did we. We gave to St. Louis a store selling all good grades of clothing for men and boys—a store of larger stocks and perfect service—a store of indisputably greater values—and one of the best lighted stores in the country. The result—success, success great enough to fully justify our claim to doing the biggest retail clothing business in the West—a success demonstrating clearly to those able to read the signs of the times that Washington Avenue is the future retail center of the New St. Louis.

We take this opportunity of calling attention to our splendid showing of "Art System" apparel for spring. This is an era of good form, and the smart appearance so noticeable in "Art System" clothing is the result of most exquisite hand-tailoring. Gray is a fashionable tone for spring, having in many instances a delicate overcheck, which gives an individuality to the garment and relief from a dullness inseparable from solidity of tone. There is also a decided change in the cut of men's and young men's clothing this spring. For instance, the coat is wider in the back and much longer, higher in the waist-line, rounder in the shoulders, and has broader lapels. The waistcoat is cut open much lower, and trousers are fairly full at the hips and slope down from the knee to the instep.

The great popularity of "Art System" clothing rests solely upon merit. It possesses all the good qualities of the merchant-tailored product, at these prices: Men's Suits, \$15.00 to \$35.00; Young Men's Suits, \$12.00 to \$25.00; Men's and Young Men's Topcoats, \$15.00 to \$25.00.

TORTURING SKIN HUMOR Whole Body Mass of Itching Sores and Scabs. Awful Suffering for Fifteen Years. CURED BY CUTICURA

"I take the liberty to drop you a few lines to let you know of my wonderful cure by Cuticura. My head was one mass of scabs, and my forehead was covered down almost to my eyebrows. I had to wear my hat all the time. My legs, arms and body were covered with spots in size from a pin-head to as large as a silver dollar. A white, crusty scab would form and itch, and words cannot express how I suffered for fifteen years. I tried many doctors and all kinds of treatments, but could get no help, and thought there was no hope for me. While in Michigan last summer a friend told me to get Cuticura. I got a cake of Cuticura Soap and a box of Cuticura Ointment, and in three days my head was as clear as it ever was. I applied the Ointment night and morning, also taking a hot bath three times a week, and using the Ointment freely after the bath. After using one cake of Soap and two boxes of Ointment I was completely cured, without a mark on my head or body. I was so pleased I felt like taking my hat in my hand and running down the street to tell every one I met what Cuticura had done for me. I shall never use any other soap but Cuticura. If any one is in doubt about this, they may write me."
